#### Tax-deductions on super contributions extended to all

From 1 July 2017 all residents under 65, or between 65 and 74 if they meet the work test, will be able to claim a tax deduction for superannuation contributions they personally make. This is a win for workers whose employers don't allow salary sacrifice contributions, and some individuals who are both self-employed and employees. Don't forget that the concessional contribution cap will still apply.
